Workshop Notice - Joint Natural Gas Market Workshop of California Public Utilities Commission and California Energy Commission

December 9, 2003
9am – 5pm

and

Hiram W. Johnson State Office Building
455 Golden Gate Avenue, Auditorium
San Francisco

December 10, 2003
9am – 5pm

The California Public Utilities Commission (CPUC) and the California Energy Commission (CEC) will be hosting a Joint Workshop entitled “Natural Gas Market Outlook, 2006-2016” at the State Building Main Auditorium located at 455 Golden Gate Avenue in San Francisco. The workshop will address California’s future natural gas needs and we are seeking speakers from industry, consumer groups, staff of governmental agencies or other interested parties. The workshop is not intended to be a formal proceeding, but will be informative on very important issues to California. The staffs of the CPUC and the CEC have prepared an agenda for the topics to be discussed at this workshop. The agenda can be found on the CPUC and the CEC’s websites. The CPUC and CEC staff are currently soliciting speakers to participate on each of the panels and are hoping to have a cross-section of speakers representing various perspectives of the industry, consumer groups, government agencies and other interested parties. If your organization is interested in participating, please send an email to both of the following staff members of the CPUC and CEC by November 14, 2003:

Wendy Maria Phelps
CPUC Energy Division
Email: wmp@cpuc.ca.gov
Telephone: (415) 703-2311

Jairam Gopal
CEC Natural Gas and Special Projects Office
Email: jgopal@energy.state.ca.us
Telephone: (916) 654-4880

The workshop will be open to the public. Based upon what we learn at this workshop, the CPUC intends to issue an Order Instituting Rulemaking or an Order Instituting Investigation in early 2004, which would address some of the matters discussed at the workshop and would culminate by the end of the year with a decision affecting natural gas supply and infrastructure issues for California investor-owned energy utilities under the CPUC’s jurisdiction. The CEC staff will use this information to update their natural gas outlooks and provide a foundation for future energy policy recommendations to the CEC that can be considered in future updates to the Integrated Energy Policy Report. Both agencies are conducting this effort to help implement the previously adopted Energy Action Plan.

11/10/03	A03-06-040	Southern California Gas Company (U 904-G), in compliance with Resolution G-3334 for a System of Firm, Tradable Receipt Point Capacity Rights and related provisions.
----------	------------	--

Summary: On November 5, 2003, Norman A. Pedersen, attorney for Southern California Generation Coalition, met with Brian Prusnek, advisor to Cmmr. Kennedy, in San Francisco. Also present were Marcel Hawiger, attorney for The Utility Reform Network, Matthew Brady, attorney for the Department of General Services, Doug Rasch, attorney for ExxonMobil Corporation, John Leslie, attorney for Coral Energy Resources, L.P., and Evelyn Kahl, Liz Westby and Nora Sheriff, attorneys for the Indicated Producers. Pedersen expressed frustration about the failure to consider changed circumstances in A03-06-040 in violation of the explicit requirements of G-3334. Also, Pedersen expressed a concern about the assignment of the October 23, 2003 petition for modification to A03-06-040 rather than I99-07-003 in violation of Rule 47(c). Pedersen advocated a procedural approach that would permit the full Commission to consider both the petition for modification and any proposed decision on the Southern California Gas Company 'compliance case'.

Summary: On November 5, 2003, John Leslie, attorney for Coral Energy Resources, L.P., met with Brian Prusnek, advisor to Cmmr. Kennedy, in San Francisco. Also present were Marcel Hawiger, attorney for The Utility Reform Network, Norman Pedersen, attorney for Southern California Generation Coalition, Matthew Brady, attorney for the Department of General Services, Doug Rasch, attorney for Exxon Mobil Corporation, and Evelyn Kahl, Liz Westby and Nora Sheriff, attorneys for the Indicated Producers. Leslie noted that the terms of the Comprehensive Settlement Agreement (CSA) are 'stale' and are not appropriate for implementation in the current environment. Leslie explained that it is not appropriate for the Commission to address Southern California Gas Company's (SoCalGas) proposed 'compliance case' in this proceeding. Leslie referred to a petition for modification of D01-12-018 and G-3334 filed October 23, 2003, and stated that the petition for modification requests that the Commission maintain the existing structure on the SoCalGas system until September 2006.
